We anticipate our best camp ever in 2009! We think you will find a commitment to teaching the fundamentals, drills and individual skills, second to none. There is nothing fancy about our camp...it is five days of ground balls and swinging the bat. We understand the investment you are making and take seriously our pledge to "give you your money's worth."

Our expertise provides a baseball background you can have confidence in. We continue to believe the involvement of Lassiter coaches and players provides a level of focused instruction that make this the best camp around.
